The blessings of liberty are both physical and spiritual, and no nation other than the United States has ever mixed them to the point that they are inseparable.

It still says on every coin and every dollar "in God we trust," and in the Gettysburg Address and in our Pledge to the Flag.

Our Declaration of Independence states that all men are "endowed by their Creator with unalienable rights," thus recognizing that all legitimate human rights come from God.

Ironically, even those who deny the existence of the Creator will insist upon their rights! All authority, termed *mishpat* in Hebrew (Genesis 18:25), is God's because "the Lord is a God of justice."
